NAPA's Asphalt Operations Safety Innovations Award recognizes safety practices that are above and beyond normal safety practices. Innovations can be items/practices invented for a specialized use or items/practices that are adapted from other industries and implemented by the asphalt pavement industry. Awards will go to companies whose objective is to utilize innovative ideas or practical methods that lead to improved worker safety in a roadway, plant site, or quarry environment.

**Eligibility:**
The award is open to all NAPA members, including International members. Note: The safety innovation/practice being nominated must be in use at the submitting company and the innovation must be relevant to the asphalt pavement industry. Safety innovations submitted that are a product or service which are NOT used by the nominating firm will not be eligible to receive the award.

**Instructions:**
1. Complete online form by October 3, 2019 including payment for entry fee of $175.
2. Upload two digital photos of the safety innovation suitable for publication. Each photo should be approximately 2 MBs. Set camera for highest resolution possible.
3. Include letters from officials and positive media coverage (if available).

**Judging:**
Judges evaluate entries on how innovative the concept is and if the innovation improves safety for employees. Winning innovations will:
- Address a clear safety need
- Include data on accident reduction/safety improvements
- Be new. Submissions for ideas/methods/tools that are already recognized as a highly effective way to protect workers will not be chosen as a winner.
- Utilized at the submitting company.

Winners and Finalists will be recognized at the 2020 Annual Meeting in Maui, Hawaii.

**Section I: SAFETY INNOVATION INFORMATION**

1. Name of Safety Innovation *
2. Length of time practice/innovation has been in use *
3. Description of innovative safety practice *
4. What makes this safety practice innovative? *
Section II: SAFETY INNOVATION AFFIDAVIT

By typing your name below you are certifying that the information provided on this form is true and accurate to the best of your knowledge. All materials and photos submitted become the property of the National Asphalt Pavement Association.

1. Please type your name: *

2. Please type your title: *

3. Company name: *

4. Would you like to add a media contact for your press release(s)?
   Yes/No
   If yes, media contact’s name, email, phone number:
